Crosswalks

Department of Health—Medical Assistance Administration

HIPAA CROSSWALK – CLINIC

Local Code & Modifier Description	Standard Code Description	Remarks
9204A -Y5 WOMENS CLINIC INITIAL COMPREHENSIVE	S0610 Annual gynecological examination, new patient	
9204A -Y5	99205 Office or other outpatient visit for the evaluation and management of a new patient, which requires these three key components: a comprehensive history; a comprehensive examination; and medical decision making of high complexity. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually, the presenting problem(s) are of moderate to high severity. Physicians typically spend 60 minutes face-to-face with the patient and/or family.
